

Opportunities to Give

- Christmas Stocking Stuffers – A volunteer team generously sews our stockings, and we personalize them for each child. We need your help with collecting the contents. A suggested list for each gender and age group is available.
- New Toys / Gifts – We need a variety of toys and gifts ranging in value from \$10 - \$60 for parents to choose from our “shop rooms.” We have a list of suggested items if you would like to collect and donate new toys and gifts.
- Children’s Clothing Sponsors – Each child will receive three new clothing gifts, and each teen will receive a gift card to purchase new clothing. Please contact us for information about how to sponsor a child’s new clothing.
- Popcorn & Cookie Tins – Each family will receive a holiday popcorn tin and a tin of cookies to enjoy. We need approximately 225 popcorn and cookie tins.
- Bibles – We usually give over 100 Bibles to guests that come to the gift shop. Families of small children may receive a children’s Storybook Bible while older children and teens may need a Bible designed for them. Parents and guardians may also need a Bible in a font size or version they can read and understand. Please consider donating a new Bible that we can give to someone who wants to grow in their relationship with God.
- Wrapping Paper & Gift Toppers – Help us wrap the many gifts that are chosen for our children in need! We love to receive new wrapping paper and homemade ornaments to prepare the gifts for parents to put under the tree.
- Money for Toys/Gifts – We must purchase all the gifts that needed but are not donated. Please consider giving financially to help cover the cost of needed purchases.
